“How long can you afford to put off who you really want to be? *Your nobler self cannot wait any longer.*”

Now is the time to get serious about living your ideals.

Put your principles into practice - now. Stop the excuses and procrastination.

This is your life. You aren't a child anymore.

The sooner you set yourself to your spiritual program, the happier you will be.

The longer you wait, the more you'll be vulnerable to mediocrity and feel filled with shame and regret, because *you know you are capable of better.*

From this instant on, vow to stop disappointing yourself.

Separate yourself from the mob.

Decide to be extraordinary and do what you need to do - now.”

- *Epictetus*
